KEY STAGE 3 CURRICULUM RELEVANCE

This field trip to the Arthur Cottage links to the unit 'In the White House' from the "Key into Ulster" materials for Key Stage 3. There are some preliminary activities which the pupils should complete before they go; some worksheets and activities for the field trip and then some extension activities.

These materials can be used to support aspects of the teaching of KS3 :-

Citizenship: providing opportunity to reflect on diversity and identity

History: providing opportunity to develop the enquiry skills to undertake historical investigations; to explore how history has affected their personal identity, culture and lifestyle; to investigate events in the past and their impact on life and work in the present

English: providing opportunity through engagement with a range and variety of stimuli to read for key ideas; to express feelings; to write for different purposes

Art: providing opportunity to develop their own personal and creative responses by researching, gathering and interpreting information from direct experiences, observations and imagination; to explore the diversity of cultures

There are also opportunities to practise **Personal and Inter Personal Skills; Communication** and aspects of **Critical and Creative Thinking Skills** especially, **creativity and managing information.**
