Time for Reflection

Now that you have finished your work, take a few minutes to reflect on what you have done.

The part of this unit which I found the most difficult was .................................................................
........................................................................................................................................................................

I think this was because ................................................................................................................................
........................................................................................................................................................................

The part of the unit which I was most confident about completing was ...........................................................
........................................................................................................................................................................

The part I enjoyed the most was ...........................................................................................................................
........................................................................................................................................................................

because ............................................................................................................................................................

GOALS

Think about what you have done in this unit and how you did it. Now set yourself at least 1 goal for improvement in the next unit of work.

1. ........................................................................................................................................................................

2. ........................................................................................................................................................................

3. ........................................................................................................................................................................
